

Our Seng Kang Youth has done the school proud again! Our IPW –Service Learning N(T) team, which consists of Chua Yee Kiat, Shawn Ng, Siti Nurhumairah, Reguraman Rajkumar and Janice Neo of class 1T9 was invited to share about their IPW-Service Learning programme through a media interview.

The interview was recorded at the MediaCorp, Caldecott Hill on 22 October 2013 with Ms Daphne Lim from 938Live. The interview will be featured in a segment called “They’re Making a Difference” in radio station 938Live. The date and time of the broadcasting will be notified to us at a later date.

This series of show, “They’re Making a Difference” highlights ordinary people who make a difference in the lives of others and in the world around them. The team was very excited and the experience of the interview was enriching when they shared about their passion and learning experiences in bringing awareness on bullying issues to the school. Students from other schools with similar interviews have been featured on this show as well. The podcasts of past programs can be heard from the following link: <http://goo.gl/mX8g5X>. Once again, congratulations to the team for doing the school proud!
